LEGION PICNIC WELL ATTENDED

On Sunday, July 27, members of the Strathmore Branch of the Canadian Legion, their families and friends went to St. George's Island, Calgary, for the Annual Picnic. Some 295 were present. Lunch and supper were eaten at the Park and the Legion provided the ample ice cream for everyone. There were games for the children, soft ball and a tug-of-war in which the Army beat a combined team of the Navy and Air Force.

The Legion band under Doug Hurtle added much to the day's enjoyment. Everyone voted the day a great success and our sincere thanks is due to the Entertainment Committee who had everything so well organized and to all those who provided transport.

A real treat is in store August 15, when the Legion is sponsoring as a V.I. Day Commemoration a Concert and Dance. Don Robertson's Entertainers of Calgary are providing the entertainment and music. No one should miss this splendid entertainment. We hope for one of the largest crowds that has ever gathered in the Memorial Hall.

F. J. HARTELL PASSES

Monday, July 28, Mr. F. J. Hartell passed away at his home near High River, at the age of 85 years. One of the finest type of citizens he gave of his best to all worthy projects and his influence was strongly felt in any community where he resided.

Mr. W. H. Hartel of Strathmore is a son.

CROP REPORT, LANGDON AREA

The rye crop is fast ripening and cutting will be in full swing shortly. The average should be about twenty bushels. Oats are promising, but too early to estimate yield. Barley should average 25 bushels. Wheat is in the shot blade, and a good down pour of rain would materially improve yields.

ORGAN RECITAL

Through the courtesy of the Heintzman Music Company of Calgary, a Hammond Electric organ is being installed in the Strathmore United Church for Sunday next, August 3 to give the congregation an opportunity to hear the organ with the acoustics the church gives. Mr. Davies, organist of the First Baptist Church in Calgary, will give a quite generous recital providing an opportunity to hear the various types of music.

This recital will follow the regular church service, and a hearty invitation is extended to all interested to be present.

Yes, I'm the little man who is always there ---

for me. Anything from lighting your home, clean-
ing your rugs, and cooking your food to pumping
water and grinding grain on the farm.

As for my wages, I'm sure you'll agree that what
I get paid for doing all those things is peanuts com-

But I'm certainly not complaining. I like to work

L. P. GAS

We have been appointed the exclusive dealer for John V. Johansen & Co., who are the exclusive marketers of all the Propane which will be produced in Turner Valley, for the District of Strathmore.

This is your only safe and reliable supply of Liquid Propane Gas at a reasonable price.

"STURDIE" Propane and Storage Tanks are produced in Alberta to avoid inflated U.S. prices, customs duties and transportation costs. Imported LP Gas and tanks cannot compete with "STURDIE" Made in Alberta Products.

See the new modern Propane Gas Ranges and Tanks that we can supply you at money saving prices. STURDY products and prices are always the best.

Customers who buy their LP-Gas Appliances and Propane exclusively from STURDIE DEALERS will receive a special discount price on their Propane. See us for further particulars
